

As a back to school special, Penridge Wellness Center will be offering a complementary initial examination, including a thermal nervous system scan to any school age child. Call our office to schedule your appointment today!
Offer ends September 30, 2010.

Why a child may need a chiropractic checkup:

- Traumas during the birth process
- Slips and falls throughout childhood
 - Poor posture
 - Heavy backpacks
- Exposure to everyday toxins
 - Mental and physical stress
- To detect small problems before they become **BIG** ones
 - Optimal health!!
